We clean up!

Pro & 1000 Series

Discretion

Quiet operation

- ▶ 15% more powerful than competing models.
- ▶ Each model comes with a permanent SILVERCLEAR™ antimicrobial-treated filter and most come with a two-ply bag for better air filtration and faster suction.
- ▶ Our large-capacity biodegradable disposable bag only needs occasional replacement.
- ▶ Soundproof housing for quiet operation.
- ▶ Can be equipped with an outside vent, muffler or an ACTIVAC 2™ exhaust filter with activated carbon membrane and HEPA filtration system.
- ▶ We have a model for every budget.

No matter what model you choose, all our vacuums come with an illuminated starter switch.

Cyclonik Series

Powerful

Powerful suction!

WET DRY

- ▶ Always maintains the same superior suction power.
- ▶ The central vacuums in this series are made entirely from sturdy, rust-free polypropylene for liquid suction.
- ▶ Needs no filter or bag.
- ▶ Removes particles, allergens and odors through an outside vent.

No task can resist it. Some people even use it to unclog their sink...

On average, people spend over 30 days a year on housework. Our Cyclonik series gives you more time to do the things you enjoy most.

Eco-logik Vision

For liquid suction, see manufacturer's installation requirements.

The above models are available with a float for vacuuming large amounts of liquid.

Automatik Series

Versatile

Adapts to your needs!

- ▶ The world's first self-flushing vacuum.
- ▶ Always maintains the same superior suction power.
- ▶ Completely maintenance free.
- ▶ Removes particles, allergens and odors through an outside vent
- ▶ Great for vacuuming up water damage and for cleaning carpets, upholstery, car interiors and more.

WET DRY

On average, people spend close to \$4,700 on housecleaning over a 10-year period, including cleaning products! DRAINVAC's all-in-one system means goodbye mops, refills and costly cleaning services.
